Hi Nancy,

Trying to catch up on all my emails and it looks like a debrief with Jason definitely is in order! Both on WOUS and Cargill??

If you can't schedule it this morning I can do that after my OPA meeting this morning.

Thanks,

Good Morning,

Sorry for the late notice, but I need any weeklies to be submitted to Lotus Notes by NOON TODAY. If you want to email me and Linda, that's fine as well. Please let me know if you have any questions and please remember to include POC and relevant dates for each item.

Thank you,
